1. **PMUni Events**

PMUni workshop 7 held on June 3rd, 2009

The 1st *PMUni* workshop 2009 took place in Vienna, Austria. The workshop, organized by Roland Gareis and the PROJEKTMANAGEMENT **GROUP**, *WU* Vienna University of Economics and Business, focused on the latest research news from the partners and "Sustainable Development & Project Management".

Pernille Eskerod (University of Southern Denmark), Rodney Turner (University of Limerick), Darren Dalcher (Middlesex University), Svetlana Cicmil (University of the West of England), Roland Gareis and Martina Huemann (PROJEKTMANAGEMENT **GROUP**) reported on the latest news in research at their institutions.

In terms of "Sustainable Development & Project Management" Andre Martinuzzi (Research Institute for Managing Sustainability), Roland Gareis and Martina Huemann (PROJEKTMANAGEMENT **GROUP**), Lynn Crawford (Bond University), and Gilbert Silvius (University of Applied Science Utrecht) presented their ideas about researching and teaching sustainability in project management.

In Vienna the 3rd *PMUni* Board Meeting took place. The current status and the budget of 2009 were discussed. Furthermore the participants collected some ideas on the future activities of the network.

Please find all presentations of the Vienna workshop in the members only area at www.pmuni.net.

PMUni workshops in 2009

Furthermore a *PMUni* workshop will be hosted by Pandelis Ipsilandis, from September 24th-25th, 2009 at the Technological Education Institute of Larissa, Greece.

If you are interested in joining the *PMUni* workshops please [contact](#) us.

2. **PMUni Projects**

Research: Sustainable Development & Project Management

The PROJEKTMANAGEMENT **GROUP** in cooperation with the Research Institute for Managing Sustainability (*WU* Vienna University of Economics and Business) set up the research project "Sustainable Development & Project Management – SD&PM".

At the 1st *PMUni* workshop 2009 Andre Martinuzzi provided input on "Sustainable Development". Furthermore Roland Gareis and Martina Huemann gave a presentation on "Sustainable Development & Project Management". Lynn Crawford and Gilbert Silvius talked about research and education in the field of sustainability and project management. The session was concluded with a discussion on potential research topics for the *PMUni* network. A joint *PMUni* project is in preparation.

If you are interested in cooperating in this research project please [contact](#) us.

3. PMUni News from the Facilitators

New PMUni partners

The University of applied sciences Utrecht and the Norwegian University of Science and Technology became new partners of the *PMUni* network in 2009.

happy projects`10 conference

The *happy projects`10* conference "PROJECTS & SUSTAINABILITY" will take place in Vienna from May 27th-28th, 2010 at the Vienna Tech Gate. This conference is Austria's largest international conference on project management and offers a huge variety of presentations, panel discussions and different streams for practitioners as well as researchers and academics.

All partners of the network are invited to provide possible topics for presentations at the conference.

Information on the *happy projects`10* conference will be available soon under www.happyprojects.at.

4. PMUni News from Partners

Special EDEN doctoral seminar on perspectives on projects: project attributes

The special EDEN doctoral seminar hosted by ESC Lille will take place in Lille from **August 17th-21st 2009**.

The seminar will provide a forum for doctoral students in project management from Europe and around the world, where they can share experiences in studying project management, exchanging information on:

- Research and theoretical paradigms appropriate for project management
- Research methodologies appropriate for research in project management
- Literature on project management to inform their studies

The *PMUni* partners are invited to participate at the EDEN Doctoral Seminar hosted by Christophe Bredillet and Rodney Turner and will meet for an informal meeting during the course of the seminar.

Further information on the EDEN doctoral seminar can be found [here](#).

CO-MAT-TECH 2009

For the 17th year Slovak University of Technology invites to the international conference CO-MAT-TECH 2009 which will be carried out under the auspices of the Minister of Economy in SR Ľubomír Jahnátek, **October 22nd and 23rd, 2009** at the Faculty of Materials Science and Technology in Trnava, Slovak University of Technology in Bratislava.

The main topic of the international conference CO-MAT-TECH 2009 is Industrial Engineering, Management and Quality for the 21st century.

Conference topics:

- The outcomes from global crisis for industrial practice (from global crisis to sustainable development)
- Socially responsible entrepreneurship
- Sustainable production, consumption and marketing
- From quality management to quality of working life
- Human resource management in multicultural environment
- From knowledge to innovation
- Clusters and their task in creating innovation milieu

We offer opportunity to present your results in mentioned topics. You can publish your ideas, knowledge, experience, scientific results in the form of advertisement on conference web-site, poster or eventually article in conference proceedings.

Conference information is available on the conference web-site:

<http://www.sce.sk/comattech2009>

For further information please contact:

Ing. Zuzana Lenhardtova, Faculty of Materials Science and Technology in Trnava, Tel.: +421/918 646 032 or via email: comattech09@gmail.com

5. General Process & Project Management News

Conferences in 2009

- [Academy of Management 2009](#) Annual Meeting "Green Management Matters"
August 7th – 11th 2009, Chicago
- [IRNOP IX](#) "Organizing by Projects"
October 11th -13th 2009, Berlin
- [CO-MAT-TECH 2009](#) "Industrial Engineering, Management and Quality for the 21st century"
October 22nd-23rd 2009, Trnava
- [EURAM 2010](#), "Back to the Future"
May 19th-22nd 2009, Rome
- [PMI Research and Education Conference](#) 2010
July 11th-14th 2009, Washington, D.C.

IPMA Research Awards 2009

With these annual awards IPMA recognises recent outstanding contributions to the development of the discipline and profession project management through professionally conducted research. The winners are:

- IPMA Life Achievement Award 2009: Prof. Peter W.G. Morris (University College London, U.K.)
- IPMA Research Award 2009: Prof. Anbang Qi and Team (Business School of Nankai University, China)
- IPMA Young Research Award 2009: Dr. Karin Bredin (Linköping Univeristy, Sweden)

Further information can be found [here](#).

The call for the IPMA Research Awards 2010 will be out soon. Please find further information about the IPMA Research Awards [here](#)!
